

PUBLIC STATEMENT

In response to false, defamatory, and malicious public statements from Allen Potter, Thomas Hudson, Fredrick R. Potter, and others, Cassaundra Holmes, as Trustee of The Betty L. Potter Revocable Trust Established September 10, 2004, ("BETTY'S TRUST"), issues the following public statement:

On April 30, 2013, BETTY'S TRUST purchased a headstone for the grave site of Betty L. Potter, Deceased. The cost of such headstone was paid for entirely from monies of BETTY'S TRUST. Neither Fredrick R. Potter nor Allen Potter paid one penny toward the purchase of the headstone for Betty L. Potter. Neither Fredrick R. Potter nor Allen Potter had, or have, any right, title, interest, or ownership of the headstone purchased for the grave site of Betty L. Potter.

The headstone placed at the grave site of Betty L. Potter was not a permanently attached fixture to the land, but was moveable personalty owned by BETTY'S TRUST.

According to his wishes, and with the consent of the authorized representative of the cemetery, Thomas Wright, Deceased was buried in a plot adjacent to his sister, Betty L. Potter, Deceased, in an available and unreserved burial plot. Neither Fredrick R. Potter nor Allen Potter had, or have, any right, title, interest, or ownership of the burial plot adjacent to the grave of Betty L. Potter.

In June, 2020, BETTY'S TRUST, as owner of the headstone, chose to remove the headstone at the grave site of Betty L. Potter, and replace it with a different headstone that is being prepared. BETTY'S TRUST, as owner of the headstone, had, and has, the absolute right to remove the headstone, and replace it with another headstone.

Contrary to public statements of Allen Potter, Thomas Hudson, Fredrick R. Potter, and others, an owner's removal of a headstone and replacement of a headstone is neither a desecration of a grave site nor an illegal act. It is a common and lawful occurrence for owners of headstones to remove the headstone to make changes on the headstone or to replace or reset the headstone.
